Certificate of Warranty

Beyond Brick Tucson Inc. (hereinafter “contractor”) warrants that all work performed by contractor for _____ (“Owner”) in connection with the construction at _____ (the “property”) will be of a quality which is standard in the industry within /Tucson, AZ in conformance with the requirements of the Arizona Registrar of Contractors, and contractor guarantee all such work for a period of as long as you own your home (warranty is transferrable) years from the date of construction completion. Contractor, during normal business hours at its own expense, will make any and all necessary repairs, the need for which Contractor is notified of in writing during the life of this warranty certificate, provided such repairs are necessary as a result of defective workmanship including any subsequent heaving or waviness of the bricked area caused by improper installation and provided Contractor is granted reasonable access to the property during normal business hours. Contractor’s obligations under this warranty are for the period mentioned above.

This warranty is intended to protect the Owner of the Property from faulty construction and does not apply to defect cause by normal wear and tear, color fading, damaged caused by tree roots, animals and/or insects, damages caused by oil and/or chemicals leaks, and damages caused by any other contractors, to include and not limited to utility companies.

This warranty will be void immediately upon any changes made to the grade or design of the driveway/walkway not by Contractor.
